# INTRODUCTION

Welcome to the Master Pool Builders (MPB) program.

The MPB program is a network of SPASA skilled pool and spa builders who seek to elevate their craft, share knowledge, and influence industry standards to ensure they leave a legacy of innovation, enduring quality, and excellence.

Choosing to become an MPB member is a pivotal step in enhancing a pool builder's profile both within the industry, and the broader community. Membership is a recognition of a builder's professionalism and commitment to the industry.

## MENTORING

MPB Members can participate in the mentoring program. Members can nominate to be a mentor and will then be paired with a mentee, a student from IRLearning's programs.

Mentoring is an important activity that provides skilled, experienced, and professional pool builders the opportunity to support the development of their mentees' competencies and prepare for a future in the pool building industry. The mentoring relationship is a two-way street which also supports the mentor's learning and development. The connection between mentor and mentee will challenge both people, enhance communication skills, and bring unexpected insights into their respective careers.

Ultimately, the MPB mentoring program provides participants with the opportunity to elevate the next generation of pool builders, championing the promotion, growth, succession planning and protection of the swimming pool and spa industry.

### MPB MENTORING PROGRAM PARTICIPANTS MUST HAVE THE FOLLOWING ATTRIBUTES:

- Proven business acumen
- Expertise and proficiency in all aspects of pool and spa building
- Excellent communication and negotiation skills
- A willingness to listen and support their peers, regardless of experience level
- An understanding of different perspectives and cultures within the industry
- The ability to help their mentees develop new skills and refine existing ones
- A positive outlook and passion for the swimming pool and spa building profession.

If a member is interested in becoming a mentor, simply contact SPASA to register their interest, and they will be in contact regarding the next steps.
